

# ARC Series

## Consoles

### **A console for any need.**

The ARC series consoles are designed to meet the needs of any studio. Whether you are on a remote, or need a board big enough for your flagship studio, the ARC series has you covered.

There are optional & standard features with all of our boards, that give you the power and flexibility for any demanding studio.

Now with Simple IP, any of our ARC series boards are AoIP ready and can connect to the Dante network.

# ARC Series Consoles
